

Updated 26 September 2021

The cafe is now open again for tea, coffee and homemade cakes, 9.30-4 Tues, Weds, Fri and 9.30-12.30 Saturday. The Centre is open most weekdays and evenings (whenever we have bookings) but please check first if making a special journey

We continue to provide hand sanitizer and NHS QR scan codes at entrances, and our professional cleaning contractor is following deep-clean procedures for all areas which have been used, at the end of each day. Activity organizers can decide their own policy for face coverings etc, so please check with them if attending a class or group. When using meeting rooms, organizers are encouraged to keep windows open for ventilation, although we recognize this may become more challenging as the weather gets colder

As our building is owned and operated by the Methodist Church, we're also following regularly updated guidelines which can be found [here](#)
