

Room details

The following rooms are available for hire, and can be laid out with rows of chairs for auditorium/seminar use, with seating at tables, or with no furniture if required. Please click on the individual room entries to see photos and more information, or contact the bookings secretary (**07999 525893** or send an email using the [contact form](#)). We can then arrange for you to view the centre and discuss cost and availability.

The church building is only suitable for certain activities, but is frequently used for musical performances and rehearsals. Rooms SR1 and SR2 underneath the church are not currently equipped and finished to as high a standard, however unlike the new building they are available for childrens parties.

If you have particular audio-visual requirements for a booking please let us know, as temporary arrangements can often be made even if a particular room does not have permanent facilities.
