

The Hub cafe is in the entrance area and is currently open from 10am-4pm on Tuesdays, Wednesdays and Fridays, and 10-12 on Saturdays for tea, coffee, and snacks such as biscuits and crisps.

Bottled water is also available from reception for the convenience of those attending Pilates and Yoga classes, and there is a vending machine for freshly-brewed drinks outside cafe hours.

Use by hirers

When not otherwise in use, the cafe is also available to hirers who require a breakout area separate to their meeting room. The kitchen is equipped to commercial standards and can be booked in conjunction with other rooms. Alternatively hirers can request a trolley service for tea/coffee in their meeting room.
