

Location

The centre is located off the High Street, behind Reigate Methodist Church. It is accessible by foot from the High Street, and by car via the service road behind the shops - this can be reached either through Morrison's supermarket car-park, or from Park Lane (keep left after turning off High Street). Click on the map marker to access further detail and directions. The full address is

Reigate Community Centre
53 High Street
Reigate

Although you can use our postcode for sat-nav, this will probably take you to the High Street rather than the car-park
